

Legal Name: Minnesota State University, Mankato Foundation
Classification: Education
Tax Status: 501(c)(3)
Federal ID #: 41-6033423

Minnesota State University, Mankato has always been a place where big ideas meet real-world thinking.

Our tradition began in 1868, when we opened our doors to 27 teachers-in-the-making. It continues today as we've become a comprehensive doctoral university serving 15,000 students. Now, as we approach our 150th anniversary, we have a great big idea about the future of Minnesota State Mankato. With your help, we will transform this University—and the world.

To do that, we've launched the Big Ideas Campaign, which will include a number of initiatives designed to help Minnesota State Mankato achieve a new level of greatness on a local, national and international scale. With your help, we'll be able to offer Global Solutions Scholarships, build a state-of-the-art College of Business Global Solutions Center and establish a Purple-and-Gold-into-Green fund that will help us become a leader in campus sustainability.

In support of our transformative goals, we invite you to consider including the Minnesota State Mankato Foundation in your estate plans through a bequest, gift annuity, trust or other planned gift. Doing so allows you to participate in the Minnesota State Mankato Heritage Society, which recognizes and honors those individuals who include the University as part of their personal legacy.

It also allows you to be a partner with us as we transform ourselves—and the world.

To learn more about how you can help transform this University and the world, go to mnsu.edu/bigideascampaign or contact Doug Mayo at 507-389-2021.

With your help, we will transform
ourselves—and the world.
