NORTH MANKATO

South Central College North Mankato Campus Foundation

South Central College has been offering students Choices, Value & Opportunities since 1946. We appreciate your interest in selecting South Central College, North Mankato Campus Foundation in your annual, life-time and/or planned giving decision.

Choices

SCC provides students with a wide array of choices that lead to personal and career success (in 2 years or less) including more than 40+ technical career and professional programs and a comprehensive liberal arts and sciences program that enables students to earn a two-year associates degree before transferring to complete a bachelor of arts or science degree.

Value

South Central College gives students more value for their dollar, including:

- Exceptional education with smaller class sizes with individualized attention.
- Tuition and fees averaging less than \$3,000 per semester (based on 15 credits per semester).
- Opportunity for scholarships awarded by our community led Foundation.

Opportunities

South Central College provides opportunities that will benefit students now and in the future:

- High job placement rates in some of today's hottest fields (including internships, apprenticeships and permanent employment).
- Partnerships with educational institutions within the Minnesota State Colleges and Universities system and beyond, providing students a smooth transition to the next stage of their education.

Follow Your Passion

Scholarships and cutting-edge equipment are only a couple examples of how donors can make a difference. Donors have the opportunity to customize their donation to meet their charitable passion. Gifts of all sizes change lives at SCC.
